

2026 Emerson Center Lectureship Award Symposium

*October 23rd, 2026,
Department of Chemistry, Emory University
Atwood Hall, Room # 360*

**Congratulations to Prof. Laura Gagliardi, recipient of
the 2026 Emerson Center Lectureship Award.**

Prof. Gagliardi is the Richard and Kathy Leventhal Professor in the Department of Chemistry, with joint appointments in the Pritzker School of Molecular Engineering and the James Franck Institute. She is a:

- Member of the U.S. National Academy of Sciences
- Member of the American Academy of Arts and Sciences
- Foreign Member of the German National Academy of Sciences Leopoldina
- Foreign Member of the Accademia dei Lincei

(see@@@ for full CV of Prof. Laura Gagliardi).

We are honored that Prof. Gagliardi will present the keynote lecture at the Center's one-day Lectureship Award Symposium, to be held on October 23, 2026. This symposium is titled as:

EMERGING COMPUTATIONAL AND QUANTUM APPROACHES

The symposium will also feature prominent scholars and distinguished scientists as invited speakers:

- | | |
|-------------------------------|----------------------|
| • Prof. Francesco Evangelista | (Emory University) |
| • Prof. Jesse McDaniel | (Georgia Tech) |
| • Prof. Nick Mayhall | (Indiana University) |
| • Lili Wang | (Emory University) |

(See the Symposium flyer for more details)
